Luxury Satin

PURE LINEN

*currently unavailable

Pure linen is incomparably cool, fresh and comfortable. A strong natural fibre derived from the flax plant, it is more durable than cotton which results in a lifespan that can be up to three times longer than cotton percale bedding.

Horizon Pure Cotton Baby Throws

Cell Blankets

HORIZON PURE COTTON THROWS

These Horizon Pure Cotton Throws are knitted using pure cotton yarns that are completely luxurious. Being pure cotton, they are produced from natural fibres that are hypoallergenic.

CELLULAR BLANKETS

Our cellular baby blankets are woven from 100% cotton yarn which makes them extremely soft and durable. The cellular design of the baby blanket provides both insulation and breathability, making them the most popular choice for keeping your little one comfortable.

cellular blankets

harmony blankets

CHEVRON THROWS

Made from 100% cotton, chevron throws are suitable for all seasons

HARMONY BLANKETS

Knitted in an age-old basket stitch, with deep borders made from 100% pure cotton it is the perfect weight, winter and summer.

ACRYLIC FURPILE

These heavier, warm and luxurious “furpile” blankets are a must-have during winter. These “furpiles” have been keeping South Africans warm for decades.

CELLULAR BLANKETS

Made from 100% cotton, cellular blankets have an open-weave construction, which traps air adding warmth without weight.

BED WRAPS, TOPPERS AND MATTRESS AND PILLOW PROTECTORS

bed wraps

topper

BED WRAPS

For an effortless and contemporary finish, these beautiful, styled bed wraps are the perfect compliment to your bed linen.

TOPPERS

Toppers are used as a mattress converter to convert two single beds pushed together, into a king size bed and enhances comfort. Available in duck down & feather or synthetic fills.

pillow protectors

mattress protectors

MATTRESS AND PILLOW PROTECTORS

Quilted or Waterproof Pillow and Mattress Protectors are designed to extend the lifespan of your pillows and mattresses, keeping them cleaner and fresher for longer.

DUVET INNERS AND PILLOWS

DUVET INNERS AND PILLOWS

Duvet inners are available in various filling types and weights according to preference, from down and feather blends to allergy-free synthetics. Pillows are available from medium-firm to soft with a choice of fillings to suit.
